Sponsorship

YANA Expeditions, Inc. gives **US\$ 10**

from every individual tour payment as a part of our **Giving Back Project** to sponsor monks from economically disadvantage families awaiting formal enrolment in Monastic Schools. Under this project many monks will be enrolled and will receive proper monastic education.

This is being done as part of **YANA's GIVING BACK PROJECT** in close association with the **Youth Development Fund (YDF - www.youthdevfund.gov.bt)** founded by her Majesty Ashi Tshering Pem Wangchuck. We are proud to say that we are the only travel company in Bhutan with such giving back projects. The YANA Expeditions Team strongly believes in giving back to the community from which we received and still receive numerous support growing up & through adulthood.
